

# Leasing Division Agency Assignments

## Leasing Division

SPC offers an array of leasing services to State entities. Services range from locating and procuring new lease locations to renewing or renegotiating existing agreements. The Division's responsibilities include leasing assistance to State entities in both State and commercially owned facilities.

In addition, lease administration tracks the contractual terms and conditions of lease agreements on behalf of the State entity clients.

Each entity is assigned an SPC Leasing Specialist.

270 Washington Street • Suite 2-129

Atlanta • Georgia • 30334
